

Quantum thematic program Master scholarships 2022

- The Scholarships are two-year scholarships open to excellent students who will be apply (see UGA [e-candidat application platform](#)) and be admitted to the first-year tracks affiliated to the [Quantum thematic program](#) of [UGA graduate School](#):

[Master 1 Nanophysics-quantum physics](#)
[IPHY 2A 2nd year engineer school track](#)

- The call is open only to international students who have a high school diploma (baccalaureat) not obtained in France.
- The amount of the scholarship will be 16 kEuros for two years. It will cover the living cost of the student during his stay and the mandatory gratification during his/her research internships.
- The student will have to be registered at UGA for the whole program (two years) and to do his/her Master internships in a Grenoble laboratory.
- Applicants have to be self-supporting students, meaning that students who have already an academic grant or scholarship, or a financial support from another university are not eligible.
- Applicants need to apply for the Scholarship by writing a motivation letter in English describing their motivation for Quantum.
- Besides the letter, a comprehensive CV and the L3/bachelor and first year of Master grades (if applicable) are also mandatory to apply.
- The call will open **1st of March 2022**. The deadline for applying for a scholarship is **1st of May 2022**.
- Send your application to the Direction of the PT Quantum (dir@pt-quantum-uga.fr). The title of your email has to be: "Application for Quantum thematic program Master scholarship 2022".
- Receiving the scholarship is conditional on the student fulfilling all admission criteria to the Master 1 and IPHY 2A engineer school track.
- The jury will be composed of members of the Quantum Thematic Program board.
- Only students who will be selected will be informed via email by **30th of June 2022**.
- Informations: contact Prof. David Ferrand, email dir@pt-quantum-uga.fr, click also on the different hyperlinks in the page to have further informations.
